**Lucky's Easy Loaders
Users Guide**

The Load It Easy Tool
w/ adjustable stand
for single and double stack magazines

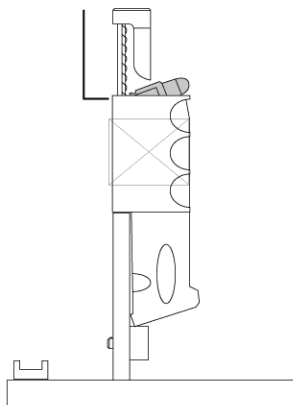

STEP 1

locate holes closest to center of magazine
and place pusher in holes to align with
center of magazine.

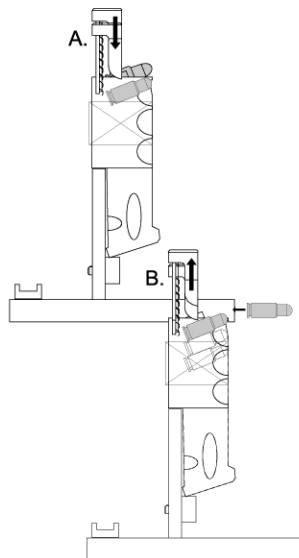

STEP 2

make sure top of magazine clip is
flush with top of loader.

STEP 3

push pusher down to hold first bullet down
while you insert next bullet and then
release pusher.

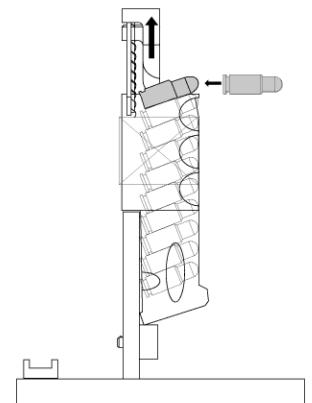

Lucky's Easy Loaders
Mesa, Arizona

U.S. Patent Number 6,178,683 B1

STEP 4

repeat step 3 until magazine is full.
